**Vision**

Being the leading Post Primary institution by providing an all round Education in Uganda and being at par with the Education demands of the fast growing Global Village.

**Welcome to Mpoma Royal College**

Mpoma Royal College is set in a beautiful surrounding, including large expanses of eucalypt trees and well-maintained gardens, along Bugerere Road before Mpoma Satellite.

Our school is extremely well resourced with modern specialist facilities in all areas of Arts, Sports and Phys Ed, Technology, Science and general classroom facilities. A supportive, learning environment with modern Science Laboratories, Computer Lab and a fully stocked Library.

Mpoma Royal College offers a college preparatory and general education program. The Mpoma students enjoy small class sizes so that they receive the attention they need.

Attention to study habits, organizational skills and 100% understanding of materials are the basis for all our courses. This type of learning promotes an ongoing sense of success and achievement.
